

## **Recorded session terms & conditions**

Read carefully before you activate your device.

No complaints entertained once device is activated.

Feel free to ask doubts before activation, if any.

1. At Sunbeam, we recommend students should join online training sessions. The interactive sessions increase understanding and confidence level of participants.
2. Currently we are recording online sessions considering following points.
  - a. Network disconnection/unavailability during live session.
  - b. Participant miss the session due to sudden emergency.
  - c. Quick recap of few topics covered in the session.
3. As per Sunbeam policy, access is provided to the videos with following restrictions.
  - a. Videos are available on students.sunbeamapps.org portal only with participant valid login.
  - b. Sharing login credentials with others is strictly not allowed.
  - c. Videos are NOT available for download.
  - d. Any attempt of copying video or part of video is considered illegal.
  - e. Videos are accessible for limited number of days (as mentioned in course introduction/email).
  - f. Participant can access video only from the computer or mobile hardware registered for video access (via OTP).
4. Only ONE computer (hardware) or one mobile (device) can be registered for hardware access. This selection cannot be modified later for the duration of video access (of particular online course). Participants are advised to register device thoughtfully.
5. Violation of any terms and condition will lead to permanent deactivation of the Sunbeam account. Such participant will not be allowed even for other present/future courses at Sunbeam.
6. Sunbeam authorities reserve rights to change/update any of these terms and conditions at any time without prior notification to the participants.
7. Finally remember that course fees include online training sessions only. Recorded sessions is additional facility provided by Sunbeam for your convenience.
